### Last of Orphan Brigade, Who Won His Stars, to Survive, was General Lyon

The death of Gen. Hyland B. Lyon removes the last member of the renowned Orphan Brigade, C. S. A., who won the stars of a general in the Confederate army. Gen. Lyon united with Maj. Cobb in forming the first battery and brigade ever had, and was made captain, but was rapidly promoted to colonel and then brigadier general. Gen. Simon Bolivar Buckner, who organized the brigade,

was promoted until he became lieutenant governor. Gen. John C. Breckinridge, former vice president of the United States, the first leader in battle, was made major general after the battle of Shiloh. He was promoted and soon became a brigadier general; later he commanded a division of cavalry. Gen. J. M. Hawes commanded a portion of the brigade (the Fourth

and Ninth, and Byrnes' battery), until he was transferred to the Trans-Mississippi.

Gen. William Preston, who had been minister to Spain, and in whose arms Gen. Albert Sidney Johnston died on the battlefield of Shiloh, commanded another portion, the Third, Sixth, Seventh and Cobb's battery. Former Senator Jo C. S. Blackburn served on Preston's staff.

Gen. Roger W. Hanson commanded the brigade until he was killed at the battle of Murfreesboro.

Gen. Ben Hardin Helm, brother-in-law of Abraham Lincoln and of another noble Kentuckian, Judge Horatio W. Bruce, of Louisville, commanded the brigade until killed at the battle of Chickamauga.

Gen. Joseph H. Lewis, the last brigade commander, died two years ago after a singularly successful service as justice of the court of appeals. This position was also held by another member of the Orphan Brigade, Lieut. Col. Martin H. Cofer. Two members of the Orphan Brigade have been clerks of the court of appeals.

### SHORT TALKS BY L. T. COOPER.

"HOW TO KEEP HEALTHY."

"I am not a believer in too much medicine. Don't take medicine all the time. Get a good tonic and take it until the old vitality returns then stop. A general tonic and system renovator should be taken in the spring and fall. For this purpose there is nothing better on earth than Cooper's New Discovery, but I advise no one to take this medicine or any other all year long. Give nature a chance. Establish regularity in movement of the bowels. Drink plenty of water but not at meal time. Chew your food very carefully and eat slowly. Sleep with the window open, don't be afraid of fresh air and do not eat a great deal of grease. Be regular at meals. Go to bed and get up at the same hour each day if possible. Take a bottle of Cooper's New Discovery twice a year and your life should be long and healthy."

Here is what Cooper's New Discovery does for run-down people who need a tonic:

"I have been sick for a number of years with stomach trouble and also from backaches and headaches. Sometimes I became so weak I could not stand on my feet. My food did not seem to nourish me and I could not gain strength. I felt tired to death all the time. Nothing I took helped me, and hearing so much of Cooper's medicine I decided to try them."

"I have taken two bottles of Cooper's New Discovery with the most remarkable results. I now feel entirely well. My appetite is fine, I sleep well, have no more headaches and am quite strong again. I cannot express my thanks for what these medicines have done." Sallie Middleton, 1957 Central Avenue, Cincinnati, Ohio. Ask us about these medicines. We sell them. W. B. McPherson.

Capt. Tom Henry and Private W. W. Longmoor. The only man now living who ever commanded the Orphan Brigade is Gen. Marcus J. Wright, who has charge of the Confederate archives at Washington. Several members of the Orphan Brigade, Capt. Joe Desha and others, declined to be made brigadier generals, preferring to stay with the brigade.

Appropriate action on the death of Gen. Lyon will be taken at the next meeting of the brigade.

### STATE OF ILLINOIS WANTS FROM THE ILLINOIS CENTRAL.

Attorney General Stead Files Suit in La Salle County For Its Share.

Ottawa, Ill., April 30.—Attorney General Stead today filed in the circuit court of La Salle county a suit against the Illinois Central Railroad company to recover approximately \$5,000,000, claimed by the state as due from the railroad, in accordance with the provisions of the company's charter, giving the state a share in the Illinois Central's gross earnings. The suit is filed in a lower court because of a recent decision that the Illinois supreme court lacks original jurisdiction.

### FORT WORTH KEEPS SALOONS.

Prohibitionists Are Given Overwhelming Defeat in L. O. Election.

Fort Worth, Tex., April 30.—Prohibition was given an overwhelming defeat in the local option election in Tarrant county, of which Fort Worth is the county seat. The vote was 6,207 to 3,214. The vote in the city was 3,754 to 798 against prohibition. The prohibitionists were asked by citizens here to give the new saloon laws a trial before making the fight, but they thought they saw an opportunity to win, and, led by several ministers, refused all overtures, forcing the fight which resulted in their overwhelming defeat. The assassination of County Attorney McLean opened the fight. The feature of the campaign was the determined stand Judge W. J. McLean, father of the murdered officer, took against prohibition.

### BOARD OF HEALTH NO COURT POWERS

May Not Revoke Physician's License Arbitrarily

Judge Bugg Rendered Far-Reaching Decision in Rudd Case at Fulton.

### COUPLE FINALLY MARRIED.

Mayfield, Ky., April 30.—Judge R. J. Bugg rendered a judgment in the Graves circuit court today temporarily enjoining the state board of health from taking away the license of Dr. R. T. Rudd, of Fulton, which order was made several months ago. Dr. Rudd was charged with causing several abortions and at their regular meeting several months ago made an order suspending him from the practice of medicine in this state. The case was brought up in this court by Dr. Rudd on petition asking a restraining order. The board of health filed a special and a general demurrer. The court decided that the act allowing the board of health to act as a judicial body was unconstitutional and held that before the board of health could take away a physician's license the physician must be found guilty of criminal abortion by some court of competent jurisdiction. The defense will file an answer and the case will go to the court of appeals.

### Married at Last.

At the dry goods store of W. A. Carter Monday 1 o'clock Mr. O. W. Phelps and Miss Lillie Miller were united in marriage, by Judge Edward Crossland before a large crowd of witnesses. Mr. Phelps and Miss Miller went to Fulton last Thursday for the purpose of getting married but the magistrate refused to issue the necessary license on account of the age of Miss Miller, who will not be sixteen years old until August. They returned home and procured a certificate from the young woman's father and then came to town today and the ceremony was performed. Mr. Phelps is about 30 years of age and this is his third venture in the matrimonial line. The bride is the daughter of Mr. Josh Miller, past of the city. Mr. Phelps has two married children and one grandchild.

### In Serious Condition.

Mr. J. R. H. Hester was thrown from his delivery wagon this morning and suffered a concussion of the brain. He is in a dangerous condition. Mr. Hester hitched his horse to his delivery wagon and started from his home to his store. The horse became unmanageable and turned the wagon so that the seat was upset, throwing Mr. Hester from the wagon. He was dragged some distance. Drs. Stevens and Dismukes, Jr., answered the call.

### D. M. Howard.

He is survived by a wife and two children, and the funeral was held this afternoon at 2 o'clock. The burial was in Mt. Kenton cemetery.
